## PV International School, November 2024

We believe the best way of Early Childhood Education should be PV International School

PV International

**P1 Class** This month the kids practiced past tense verbs. We also had a lot of fun making Halloween decorations for the party. We look forward to seeing everyone there! -Sarina

**P2 Class** P2 class students learned vocabulary words related to Halloween and vegetables. They started reading short reading comprehension passages and made lots of Halloween craft projects this month. - Vickie

**V class** This month we worked on our motor skills while enjoying Halloween related lesson. They also enjoyed making crafts to show everyone during PV Halloween party! -Aurore

**I Class** This month we have been going outside to parks to enjoy the nice weather and doing lots of worksheets and crafts for Halloween! -Susana

### 自然学習の課外活動が始まります。
